DECISION AWARDING DAMAGES¹

On January 3, 2019, Marie T. Haufle filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she was administered the influenza (flu) vaccine on October 2, 2017, and thereafter suffered Guillain-Barre Syndrome (GBS), which was caused-in-fact by the flu vaccination. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On June 15, 2020, a ruling on entitlement was issued, finding Petitioner entitled to compensation for GBS. On September 24, 2020, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$122,000.00. Proffer at 1. In the Proffer, Respondent represented that Petitioner agrees with the proffered award.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Id. Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$122,000.00 in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under § 15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
